

AFTER POWELL CLAYTON.

Arkansas Republican Politics Grows Warm.

There is some interest in the political situation in Arkansas despite the fact that the state is overwhelmingly democratic. The republicans there are making a lively fight for a reorganization of their own party, the purpose being to dethrone Powell Clayton, the present head of the republican machine. Chas. D. Greaves, the republican candidate for governor, is at the head of the anti-Clayton movement. He was born in Ohio, moved with his parents to Iowa, and then went to Arkansas, where he graduated at the State University. He was elected city attorney over the democratic nominee in 1896, was a republican candidate for congress in 1900, and also a delegate to the Philadelphia convention. He has issued a circular showing he should be supported by all republicans, this sentence being significant:

"His endorsement at the polls by his party means the beginning of a new era for Arkansas republicans and the elimination of the incubus of Claytonism and the dethronement of bossism."

The republicans in the state have made up a campaign song to the tune of "Good-bye My Lover, Good-bye," one verse of which is as follows:

One hundred shares of mining stock,
Good-bye, Boss Clayton, good-bye,
Will be enough to knock you out,
Good-bye, Boss Clayton, good-bye.

Came Near Being a Cripple.

Josh Westhafer of Loogoot, Ind., is a poor man, but he says he would not be without Chamberlain's Pain Balm if it cost five dollars a bottle, for it saved him from being a cripple. No external application is equal to this liniment for stiff and swollen joints, contracted muscles, stiff neck, sprains and rheumatic and muscular pains. It has also cured numerous cases of partial paralysis. It is for sale by City Drug Store and F. J. Ramsey.

There is very little difference between a good person and a bad one. Get well acquainted with a good man, and an intimate acquaintance with a bad man will result in the discovery of much to commend.

Take your choice of these four standard makes of wagons:

"What's the matter with your friend Bill, he looks so badly?" asked a man of another man this morning. "Oh, he's all right," said Bill's friend, "he has just been away on his vacation."

A Sad Disappointment.

Ineffective liver medicine is a disappointment, but you don't want to purge, strain and break the glands of the stomach and bowels. DeWitt's Little Early Risers never disappoint. They cleanse the system of all poison and putrid matter and do so gently that one enjoys the pleasant effects. They are a tonic to the liver. Cure biliousness, torpid liver and prevent fever. City Drug Store.

An angelic looking little North Second street girl, who looks too tender-hearted to kill a fly, tortures the neighbors until 10 and 11 o'clock at night by banging on the piano.

A great trouble with the new fashions is that the fat women are usually the wealthiest and most able to adopt them.

Used for Pneumonia.

Dr. J. C. Bishop of Agnew, Mich., says, "I have used Foley's Honey and Tar in three very severe cases of pneumonia, with good results in every case." Refuse substitutes. For sale by Bonner & Bonner.

Why a baby is named after a poor man there is no higher compliment.

Doctors Could Not Help Her.

"I had kidney trouble for years," writes Mrs. Raymond Conner of Shelton, Wash., "and the doctors could not help me. I tried Foley's Kidney Cure and the very first dose gave me relief and I am now cured. I can not say too much for Foley's Kidney Cure." For sale by Bonner & Bonner.

Contentment is better than riches, but the average man is too polite to want the best for himself.

Foley's Honey and Tar is peculiarly adapted for chronic throat troubles and will positively cure bronchitis, hoarseness and all bronchial diseases. Refuse substitutes. For sale by Bonner & Bonner.

LIKE A FAIRY TALE.

Picturesque People Have Not Disappeared—Many in America.

The young should be taught history, strategy, valor and patriotism, and should be taught it in a manner to indelibly impress it on their minds. Primitive people from our own world and people from every part of the old world, when brought together, form an object lesson that is not soon forgotten. They tell the tale of how they live; they tell it as nothing else could. To see the Red Man at home, the cowboy hurl with amazing accuracy his never failing lasso, the Mexican in his favorite sports and occupations, the Gauchos, soldiers from different countries and the hundreds of other interesting things that go to make up Buckskin Bill's Wild West, which will be in the city Wednesday, Sept. 17, leaves a vivid impression that never dies and causes one to wonder after he has witnessed this startling realistic exhibition if he hasn't just stepped from a chapter of Arabian Nights.

A Communication.

Mr. Editor—Allow me to speak a few words in favor of Chamberlain's Cough Remedy. I suffered for three years with bronchitis and could not sleep at nights. I tried several doctors and various patent medicines, but could get nothing to give me any relief until my wife got a bottle of this valuable medicine, which has completely relieved me.—W. S. Brockman, Bagnell, Mo. This remedy is for sale by City Drug Store and F. J. Ramsey.

In the game of success a level head is the trump and a silent tongue the joker.

Lingering Summer Colds.

Don't let a cold run at this season. Summer colds are the hardest kind to cure and if neglected may linger along for months. A long siege like this will pull down the strongest constitution. One Minute Cough Cure will break up the attack at once. Safe, sure, acts at once. Cures coughs, colds, croup, bronchitis, all throat and lung troubles. The children like it. City Drug Store.

After a woman has learned one lead in bridge whilst she is ready to instruct a class in the game.

Take Care of the Stomach.

The man or woman whose digestion is perfect and whose stomach performs its every function is never sick. Kodol cleanses, purifies and sweetens the stomach and cures positively and permanently all stomach troubles, indigestion and dyspepsia. It is the wonderful reconstructive tonic that is making so many sick people well and weak people strong by conveying to their bodies all the nourishment in the food they eat. Rev. J. H. Holladay of Holladay, Miss., writes: Kodol has cured me. I consider it the best remedy I ever used for dyspepsia and stomach troubles. I was given up by physicians. Kodol saved my life. Take it after meals. City Drug Store.

It is surprising how good a competent cook can make a cheap steak taste, and how poor the finest steak tastes after an incompetent cook has handled it.

Feet Swollen to Immense Size.

"I had kidney trouble so bad," says J. J. Cox of Valley View, Ky., "that I could not work, my feet were swollen to immense size and I was confined to my bed and physicians were unable to give me any relief. My doctor finally prescribed Foley's Kidney Cure which made a well man of me." For sale by Bonner & Bonner.

A New Jersey Editor's Testimonial.
M. T. Lynch, editor of the Phillipsburg, N. J., Daily Post, writes: "I have used many kinds of medicines for coughs and colds in my family, but never anything so good as Foley's Honey and Tar. I can not say too much in praise of it." For sale by Bonner & Bonner.
